Mr. Spence is a son in-law of Mr. Water Oliver, of this place.

#### TOWN COUNCIL

TOWN COUNCIL.
The Rat Portage Council met on
Saturday evening last, Present,
Reeve Young, Councillots, Rideout,
Commission and Nects.
Communications were received from

Communications were received from Wm. Wnyte: Jr. R. Cartwright, K. Furniture Co., Sheiff Carpenter, Henry

J. Powers.
M. Richard Hall and others premented a petition for two electric lights,
which was received and r ferred to
the Fr. S. Meter and Light G manities.
A petition from Air. E. D. Mattish,
and others a sking for the construction
of a drain on Martha, street and the
Abstraction of the cov.

and them on Mathia street and the Mathian troff the commissioned was referred to the Board of Works.

A complaint as to the condition of the road to the control was referred to the Board of Works.

the road to the e-merty was reforred to the Boand of Works.

The eleck was instructed to issue an order on the Treasurer for Inspector Woods salary for one menth, \$65.

The eleck was nutritated to write to Messrs, Ewart Fisher & Wilson, Winniper, gening them. all available in suffering the salary of the Wilson, Winniper, and the salary that the to droft a deed or least, or whitever disminents are the salary and may be legally excepted by the Council in order to transfer the coincity respect for a joint atook company being formed for the purpose of carrying out the dates of a cereatry empany.

\*\*Autoritation was possed instructions the Reave 10, analogy 2, autweyts to make a plan of the youncipality showing the amount of brade within the salary thereof.

next Wedgesday. The works were more complete than any in Canada, and could not be beat day where. The expenity of the rest crushers was signit tone pet hour and the "concentrating department the same. He could treat thirty-five tone of concentration in the full mess healths five tone of rich—ore Intrinses bealder five tone of rich ore in a special furness. One ten of concentrates represented from ten to twenty tone of ore. He said further that several mining-expects had been here lately and gone through the works and expressed surprise at their extent. Mr. Leede the patentee of a special system of ore reduction, had examined them and said they were more complete than any he had ever some

Councillor Nash said he was sa'is

scon.

Councillor Nash and he was astisfied in a general way, that, the works were completed, and thought they should obtain thirty tons of ore and have a tested and thought they should obtain thirty tons of ore and have a tested and they allow them. Reeve Young said in justice to Mr. Powers and upholding the responsibility of the town the works should be used either by bringing in thirty tons of ore and having it reduced or by bringing an expect to test them. Councilor Radeout said thay all know his views and that the time had come to take some d'finite action. There had been two months of mectavity, and he thought is was the day of the Council to protect the materests or the town. If they humpwed the Reinfaction Works Oc.; ir would be not do keep out equital, but if hey show of their ondence it would lend to induce apitalists to invest their money. capitalists to myest then

money. Councillor Campbell said that this money.

Councillor Campbell end that this was the first time that any action was mecessary, as Mr. Powers would not sip before that the works were complete. He channed than in the interest of the municipality some proof should be made of their completness.

In reply to a question—as to the value of the market engine made at Port Authur, Mr. Powers said the cast would be though \$30.

After medic The bere discussion in which all the members tends part and Mr. Powers and the is repulsation was worth more to life than the amount of the bone, the following resolution.

of the boars, the following resolution was passed by—
Movid—by—Council T. Rideent, as conded by Council C. Rideent, as conded by Council C. Rideent, as conded by Council C. Rideent, as the report of the best mining engineer obtainable in Port Arthur be faken as evidente. But the Reduction Works are completed as between the proposition of the H. J. Powers and the municipality, and that the Ricer is here, by instructed to obtain such evidence and that the resolution of the Ricer is here. By instructed to obtain such evidence in the such as the such as the resolution of the Ricer is the resolution of the Ricer is the Ricer in the Ricer is the Ricer in the Ricer is the Ricer in the Ricer i leven and that on receiving a favor-

handed over.

the ontoome of the much need of re-nairs to the Sault and Mainton rapide? I am I leased to see the Thr. Broome is taking an interest in our little ret-tlement on R. in, river and thought share to keep before its eyes of the power that be what should not be ab-lowed to stumber until we get some means of navigating these rapide with-ous the approximant of see much time and brute force.

CROSS LAKE.

—Mr. T. O. (tregg, Mr. Villiers and party left Oross Lake on Monday for Toronto, and Ele. Cornell, and party left Oross Loke on some day for Toconty, and the Coprofit Mr. Kohn, Mr. Chew, Mr. Marter and Mr. Ruddy, left for Graven-hurst. Capt. G. A. Kohold, Mr. D. V. Murison, and party-tels for Rat Portage. They have had first-closes duck shouting during their stay, and embryed themselves for mensely. The ducks are very numerous and in line condition. See grad other parties, including C. N. S. M. Marter and C. Pope, have taken rd other parties, including C. N. Sterling and C. Pope, have taken advantage of the sport here this fine

advantage of the sport here this hill weather.

The boys, you know, will have, their, loke. They say, that Mr. Chew, of the Gravenhurst shoeting party, saw. a moses and instead of shooting it, yelled for his partner, and that at another time, when in the woods, to saw a beat which caused him to drop his gun and direct him a losse, the woods to the control of the control of the woods, the saw he can be a which caused him to drop his gun and the woods to the woods the same than the same th climb a tree and make the woods acho with his shouts. Both the mose and the bear escaped.
